Subject: Court Transcripts

Donna:

I would like to order a copy of my arraignment in Municipal Court on July 25, 2013.

I would also like to order a copy of the arraignment on the parking ticket just before mine. The defendant's name was Roman Krupitsky – he got a parking ticket in Watch Hill for his motorcycle.

Please let me know when I can come by and pick these up.

Thank you for your time.
